I am so sorry for the loss of such a great man and someone I've called brother for many years. My heart is with you all.

- Crystal Deakins

It's been awhile, I'm still trying to wrap my head around a world with you not in it. My heartburn is up, my energy is down, my grief is hitting in inscrutable and pernicious ways! Wish you were here brother.

- Maggie

I wish you were here. I need your strength today.

- Kat

I am beyond sad for those left behind. I'm certain he's still having fun and making others laugh (or scream) wherever you go after life. He'll never be truly gone, though, with so many who fondly remember him. Hugs and loves to all.

- Misty

I'll always remember how Thomas was so willing to play with my boy when he was young. He was always happy. I will remember that feeling of toughness but yet caring that was Thomas. He did want to joke and live life. I'm so glad I got to spend part of it with him. Go find Micheal, Thomas and say hi for me.

- Sherri Hatfield

I will miss you so much gonzo... ■ you have been heavy on my mind and heart. Love you man can't wait to see you again.

- Lyndsi Bryson

When I found out Thomas had passed, I was in shock. I couldn't believe it! The world feels more empty knowing that he is no longer physically with us. His quirks and pazaz made him a light in the darkness. To the Roberts family my thoughts and prayers are with you, I had the pleasure of getting to know Thomas and Guy through school and I'm grateful every day that I had the opportunity to get to know them both. Thomas, thank you for touching our lives your energy will continue to live on through your family and our memories

- Big Mike

We truly love Thomas, and we are so sorry to hear he passed away. Heaven will be so much fun now!

- Joel Coleman

I’m so sorry for your loss. I wasn’t at Rocky for long but gonzo has always been in my favorite memories. He is one of the actors I always talked about when reminiscing. May his soul rest in peace.

- Missy Moody

We are sorry for you loss. We have nothing but fond memories of Thomas. For many years he was like family. Brandon has many memories of paintballing and d and d sessions. I (Koree), remember how welcoming he always made me feel no matter what. He will truly be missed

- Koree and Brandon Potts
