Susan, Amy, and family, We were devastated by this news and send our deepest sympathy and many prayers your way! Craig was as amazing man on so many levels. He inspired us to keep moving and he always had an encouraging word for Ziggy and I out on our walks together. We loved having him for a neighbor, and was sad to move away before really getting to know you both better! So inspired by the beautiful transformation on the house that was the least attractive on the street into a total stunner! Such great vision, Such talent! May all your creations together, all the memories you made bring more smiles than tears as time passes. So so sorry. Love Deb and Ken BrockBank

My deepest condolences. Craig was a pivotal young mens leader in my youth. He was instrumental in my career as I looked into joining the military. He also gave me a job just before my mission and I will always remember his kindness and honesty and his willingness to help whenever he was needed. Til we meet again. Bert Lee
