Louise, what a shock to see this! So sorry for your loss. What a sweet, fun, talented husband you have and friend to me & many. Sending prayers for comfort to you and your wonderful family. Love, Nadine

Tom has been a name and a legend in the James and Dorothy Lyon family for years. Whenever his name was spoken, it was always with admiration. I was privileged to take a class from him at BYU and watch him in action as he tried to chip away at the fossilized thinking patterns of his students. His vibrant life manifests itself so well in his paintings, challenging perceptions of reality with laughter and a spectacular sense of humor. His indomitable smile will always stay in my mind as a manifestation of his good heart and sharp mind.

Louise It’s probably been 10-12 years ago but my wife Stacy and I had the pleasure of being part of a Marriage and Family Relations clad that you and Tom taught together here at our ward in Daybreak. We loved to laugh and learn from you and Tom. So genuine. We’ll always have fond memories of that class and if the two of you. Thank you! I played Mahler Symphony No 2 loudly the other day as I drove to work, looked up to heavens and wished Tom well on his journey. Warm regards and sincere condolences Tyler and Stacy Reading

I'm so sad to hear Dr. Plummer has passed. Dr. Plummer was one of my favorite professors...in the late 90s he taught German 110 (?) at BYU. I had him for two semesters - nearly the entire first semester class followed him into

the second. He made things so interesting - we learned from Goethe, John (New Testament), and Beethoven. He was so patient with us squirrely freshmen. Much love to his entire family.

Dear Professor Louise Plummer, Tom was one of my favorite German professors at BYU. You were one of my favorite English professors at BYU. Together, and separately, the two of you always made me laugh while lovingly demanding the best out of me and the rest of your students. The two of you were quite the team and still are... Love, Gabi Kupitz
