I want you all to know how much my heart goes out to your family at this difficult time. I know your hearts are full and softened at his passing. Please know this is Gods plan and Tom is rejoicing to be with loved ones. God Bless You All. You are loved and in our thoughts and prayers. See you Saturday. ❤■■■

I am so sorry to hear of Tom's passing. His life was too short. He will truly be missed, he was kind-hearted and always willing to help others, and had compassion for others. My prayers go out to all the family during this difficult time in your lives. I pray that each of you will be strong and comfort each other and stay close to each other to help get you all through this time. We need to remember that life is too short, you just never know the day or hour so hug your family a little more and tell them that you love them any moment you get. I love you all! Denise Anderson

Tom was a very kindhearted man, he always made time to come and visit my dad, Mark usually once or twice a month and when my dad was sick he would try to get him outside. They were definitely best friends, went through a lot together. I will miss Tom deeply, I know now he is with so many angels now, and I hope with my dad too. I am very sorry for your loss. I can still see him holding his camera and showing off all his pictures. ❤■❤■❤■
