What a pleasure to have known and worked with Craig! A true gentleman that treated everyone well. I will miss his jokes and long Utah Ute conversations! What a great guy! I will truly miss Craig!

Dear Pat, I am thoughtful of you at this very sad time in your life. Please know that we are praying for you and your family. I did not know Craig, but it was very touching to watch the funeral by Zoom. I loved hearing about him and the love your family has for him. He has wonderful qualities and has touched many lives. He will be missed greatly by you all. Pat, please know that Veda and I love you and have good memories of you when we were young. Veda and I watched the funeral together at her home. We hope to see you and visit with you sometime. Love, Joyce

Craig was such a pleasure to work with and to know. He was always concerned about how other people were doing. My sincere condolences to his wife and family. I will miss his updates and how his eyes lit up when sharing stories of his adventures with his family.

Dear Pat, Just want you to know I am thinking of you and your family. I watched Craig's funeral today. It was a beautiful comforting service. He sounds like he was a wonderful husband, father, and man. I hope you and your family receive comfort and peace from our Heavenly Father at this time. I am sorry that I was not closer to the Tebbs Family. I sure remember 540 Koneta Court, Freckles, and your wonderful Mom and Dad and all of you children. Didn't we call you Patsy when you were little? I love you and all the Tebbs cousins.
