Dear Vincents I was saddened to hear of the padding of your father. Your parents have been apart of my family for all of life. I remember your mother tutoring me when I was a child in reading and so many memories of social and family times together. All that's left for us here are those precious memories that live on always. Shauna, Suzanne, & Kristen: I am saddened to hear about your cute Daddy. My love to all of you. He raised wonderful, beautiful daughters that I know and love. Dearest Vincents... What a beautiful service and honor to your sweet dad. I'm so sorry I couldn't have been there in person to give you all hugs, I would have loved that. Tyler and I watched every minute here in Türkiye where we are serving our mission. I would like to compare mission stories with your parents now! We loved your dad (and mom) so much, not just because our parents loved them so dearly, but because of our own personal relationships with them. You all taught me many beautiful things today when you spoke, and you and your dad have inspired me to do better, to be better. What a legacy they have left with you fab five along with your children. Truly inspiring to us. We love you!

Dear Vincent Family, I’m so sorry for the loss of your dear sweet father and grandfather, he was a giant example of a disciple of Jesus Christ. He blessed so many as he served the families of the Big Cottonwood Stake but his greatest blessings he gave to many was sharing his family with so many. I feel honored to know them. My love and prayers to you all. May God bless every one of you!
