I'm sorry for the passing of Craig. He was my step son and was always so kind to me. He was a fun loving guy who loved riding his motorcycle with some of my family. My heart breaks for his family. I loved him very much. I send my love to his family and pray they will find piece..

Debbi, We are sorry for your loss, Craig was a wonderful man. (Charles) I liked when he always call me buddy and asked one day..."do you need me to buy you new shoes?" I smiled and told him I have others, I just got these broke in... Craig just chuckled (Mara) I enjoyed spending time with you both. Craig was one who always made time to see how I was doing. We both will always cherish the moments with him. We love you Debbi and we are here for you and willing to help you with anything

I met Craig thru work at WVCPD. He was a great officer and especially a great Motor/Traffic Officer. I really appreciated it when he would show up and take over a difficult accident investigation, without hesitation. After his retirement it was always a pleasure to see him at the Retired Officer qualifications and luncheons. He enjoyed talking about his campground and always extended an invitation. Condolences to Craig's family, thanks for sharing this good man with all of us.

Craig is my twin brother and he will always be near to my heart. Just knowing that his sweet spirit is no longer on the earth saddens me. Craig I love you and miss you already. Debe you will always be my sister and I love you and pray for your future. May it be full of happiness and joy in the knowledge of the gospel.

It was good to see Craig last year at the shoot and a shock to hear of his passing. He was a joy to work with and will be missed. May God bless and keep your family near at this time and be encouraged in the fact that in his professional and personal life, Craig made a difference for good.
