My Dear Esther and family. Words cannot say how deeply sorry I am for the loss of your son Cort. You and your family are in our prayers at this difficult time. He will be greatly missed by so many people whose lives he has touched and made a difference to. His suffering is over now and he is at peace. He is happy and will be anxiously awaiting the arrival of his family to the other side of the veil. You are an incredible family whose lives are knit together in love and harmony. This will be a time of many emotions and feelings but as you talk about them together, it will be a healing process for all of you. I love you and hope you know that I am here for you at any time. Know that I am praying for you and for your healing. Sincerely Your friend Christine

To the beautiful Olschewski family—my heart breaks for you at this time. I'm so so sorry you have had to suffer the loss of your son and brother. I can't imagine the pain you must be feeling right now. But I do believe in life after death—and the only peace is knowing the joy and rest he is experiencing now. I believe that Christ will make up all the heartache and pain we go through here and one day when we are with Him again we will know it was all worth it. I love you all! Sending you love and prayers!!!
