Dusty was such a special and loving man❤■ I have been Rose's Visiting Teacher for many years. Every time I came to visit Rose, Dusty would come in and say Hi and be so sweet■. Every time I came to Church, Dusty greeted me at the door and gave me The Sacrament Meeting Program. He would talk to me for a few minutes and smile. My son and wife had a Special Needs School in Bountiful, Utah, every time they took the students Bowling, I took Dusty a few times….he Loved to bowl. He was a great bowler and he always won■■. I Love Dusty and his great Family. I have visit taught Rose for many years and we are great friends. Bruce is a great friend and he is my awesome dentist. I am late in sending you my love I had for Dusty. I was Dusty's Scout Master when he earned his eagle scout. I enjoyed him each week at SN scouts (mutual). As everyone who had time with Dusty they knew what a special young man he is. Loved the pictures you posted as it reminded me of the good times we had. I hope that you are receiving the comfort that comes from knowing him and how he made everyone around him lives better.
