My heart goes out to the Doong family at this time. Tracy was an amazing person and I am so saddened by the news of her passing. I have many fond memories of her kindness, displays of concern, and service to me personally as a mentor and guide in commercial real estate. She always asked how I was doing and showed an exceptional regard for those around her. Tracy shared a sincere smile that I will always remember.

- Kathy Watkins

We are so heartbroken over Tracy's passing. She was a loyal friend and a cherished business partner. Tracy formed instant bonds of friendship with all who knew her. She was always the first to acknowledge a special day in someone's life with a congratulatory phone call or a thoughtful gift. She treated everyone with genuine kindness. She approached life with optimism and never lost her sense of humor. First and foremost, though, she was incredibly proud of her dear family and showed her deep love for them in both words and actions through her dedicated involvement in their lives. Tracy's passing leaves an empty void for so many of us, most of all for her treasured family, and she will be greatly missed by all. Our deepest condolences go out to the Doong Family during this painful time. With much love, Clark and Holly Chamberlain

My heart is full thinking of the experiences I shared with Tracy. At a Deer Valley concert where she looked out for everyone and was at her mama bear best. At an axe throwing outing where she showed how much power was packed into her tiny frame. At Michelle’s birthday where she out danced us all. Tracy will be dearly missed. Condolences to the family and a hope that the joyful memories will provide comfort during this difficult time. With love - Kami Taylor
