Curt was the most loving, caring person I've known. Connie has been my friend over 40 years and Curt opened his heart and extended love to me too. He'll be missed - his presence added joy to all around him. Goodbye Curt - you were a really good friend. Love you!

Dear Aunt Connie and family, We are deeply saddened to hear of Uncle Curt's passing. I was recalling the days when Uncle Curt was in college and he would drive down to SoCal in his old Volkswagen Bug and take Stephen and I to Disneyland (we were just elementary kids then). When Sylvia and I lived in the Bay Area we enjoyed all the good times we had at your place in Fremont. I recall hiking with Uncle Curt at the Stevens Creek Nature Preserve a few times, fishing with him at Lake Del Valle in Livermore and stargazing at his cool backyard observatory. We

always loved the great dinners he cooked for all of us, especially his famous Chicken Kiev! We will greatly miss him. With love, Matt Arno and family

Curt made you feel so important during our conversations. I will fondly recall greeting him with "...good to see you," and he would reply with a hug and a giant smile "... it is good to be seen!" We will remember your humor and warmth Curt!
