Curt was a great man. He taught my Dad the gospel while they were shipmates in the Navy. They remained close friends. I remember visiting Curt and Denece on several occasions they were always very welcoming. Curt will be missed.

To the families of Curtiss Larsen , our families are eternally grateful for your father's example to my husband and our father. We are all where we are today, because of his friendship and his missionary work. His unconditional love for someone that had way different beliefs than his. Taking care of his brother when he could barely make it to the ship because he had took much to drink. His patience and over looking his bad habits. When we moved to Utah, that's the first thing Bob said, I've got to look up Curt Larsen. So then our friendship continued and to include families. So thankful for all the times your parents had us in their home and the times up at snowbird. For your dad speaking at Bob's funeral. They came to my wedding to George. We also spent times with them in St George. They are our family. I'm sure they are all up there enjoying each other's friendship again. Soo very thankful for our eternal perspective. We love you all. From the Pahl families.

Life is filled with good people. We consider Curtiss as one. He raised a wonderful person in Mike --- who represents the family so well. We are proud to be related to Mike. We pray for the Lord's continued blessings upon your family. Here, in Brother Larsen's life of service, one will continue on blessing other lives as he has done in this short sojourn and span of life. Sincere Wishes, Kirk & Ann
