I met Tyler when we were both in 7th grade and we remained very close friends throughout our years at crescent view middle school. I was quickly drawn to his kindness and how he genuinely cared for everyone around him. We loved to talk Star Wars, new happenings at Disneyland, Doctor Who, and I could always rely on a smile and a laugh whenever we talked. I have a lot of fond memories of Tyler and he will be dearly missed. Rest In Peace, old friend. I’ll never forget you

Tyler will be missed and never forgotten. I met and worked with Tyler at the Huntsman Cancer Institute. He took his job seriously all the while treating all with dignity and respect. His attention to detail and knowledge of his job was second to none. Although I only knew Tyler a few short months, his friendship, I will be forever grateful. Godspeed!

I didn't know Tyler too well, I knew him through Rachel. But the handful of times I met him I could tell how kind of a person he was, I also never heard anything but good words about him when I heard about him from Rachel, and I'd always wished him happiness. This is a tragic loss, I sincerely hope Tyler is at peace and my heart goes out to all of his family and friends.
