

Ursula Karin Christa Waess Thomson

July 17, 1944 ~ February 6, 2022

I want to share this memory I have with Ursula because she was like a mom to me, she took me under her wing being married to her youngest son Tim, she taught me many things as an adult, and her support to me was always something I will cherish my whole life. After getting married to Tim we lived with Ursula and William and one of my first Christmas with them it snowed a lot. Having being born in Mexico I hadn't experienced much with snow and I really wanted to make a snowman, Tim having done that his whole life didn't want to participate, so Ursula went outside with me and built my first snowman with me, later on that day she told Tim to stop being boomby (her made up word I always found so funny). She was an amazing woman and I will forever hold her dear to my heart.

I was saddened to hear of Ursula’s passing. For a number of years I felt we spent time co-parenting our sons, Travis Evans and Perry Thomson. I knew if Travis wasn’t home he would be at Perry’s. And many times Ursula would call me to find Perry. Shortly after meeting Perry we had the pleasure of meeting Mark. Mark was the same age as my son Jared Evans. Many a time Perry, Mark, and Tim would come over to swim. We learned Tim and my daughter, IngeLisa were in the same class in school, and were friends too! What great parents Ursula and Will were. They raised great kids! Ursula has fought the good fight, it’s time she goes to be reunited with the love of her life for ever and always and through all eternity. To the one’s left behind, stay the course until you go to join your family on the other side!

This is a time when Ursula will be missed and for sure remembered for her goodness but there’s no much words to take away your sadness when you lose some one you love….families are forever! ■ Love you! ❤■
