

Valerie Remington

March 14, 1955 ~ June 4, 2023

Growing up in our neighborhood in Sandy was full of wonderful memories that included Valerie. A sweeter person than Val there never was. My Mom cherished her friendship with her. I can still see the two of them, happy as could be with their Diet Cokes in the library. When Mom was in hospice I received a very sweet, tear filled phone call from Valerie that I will always cherish. She told me she "just wasn't ready for this". My heart is full that the two of them are together again.

Phil, Brittany, Megan, and Makenna we were so sorry to hear of the passing of Val. We have such fond memories of the years spent next door to the Remington’s on Annalyn Circle. Val truly was such a great friend and neighbor. She will truly be missed We hope you all feel her around you and that you will be comforted at this time. Wr love you The Shaum Family

Phil, Britt, Megan and Kenna.. there are no words to express the love I have for you all! Val was an incredible woman and the world will be a little dimmer without her in it. I am so glad you called me from Idaho so I could chat with her one more time britt! The sound of her giggle when I asked her to have a Diet Coke with granny will forever live on In my mind. I can only imagine the trouble those two sassy ladies are causing up there after this long awaited reunion! I love you all so much and I am here if you need anything at all!
