

Larkin

Cory Paul Swapp

*April 14, 1999 ~ July 10, 2015*

---

I'm so sorry to hear about Cory's passing. Thank you so much for putting your family's story out there. Suicide has touched my family too. Maybe if we keep talking about it then the stigma will lessen. You seem like such a wonderful person and a great mother and wife. Cory was lucky to have you. ♥■
