Sorry to hear about the passing of Vicki. Growing up in the Adams family it was always fun to be around her beautiful smile and her favorite thing to do was to sing at the family gatherings. Love you

- Gary Adams

Dear Family, We were deeply saddened to hear about the loss of our dear Vicki. Words cannot adequately express the sorrow we feel for you during this incredibly difficult time. It's okay to feel a wide range of emotions, and it's important to allow yourself to experience them fully. If there is anything we can do to help lighten your burden, please do not hesitate to reach out. May the memories of Vicki bring you comfort and peace in the days ahead. I know Bard is enjoying visiting with his beautiful cousin, and that he would want to leave your family a condolence along with mine. Bard was so proud of Vickie. He was proud to call her a cousin. I love the musical talent and ability of the ELLIS Reynolds Shipp family. Olea was a very talented pianist. I was so impressed when Bard and I were newlyweds and we held a Hill family reunion and I got to meet you all. I was proud to be a member of the Hill family. I pray that you might find peace and joy in celebrating the life of your mom. I am so grateful for the gospel.

Thinking of you, Steve and Lisa, and your family. My prayers are with you during this tender time. Vickey was always so kind and gracious to me. If she treated me that way, not knowing me terribly well, I can only imagine the current canyon in the hearts of her loved ones. ❤■

Dearest Adams' and James' family, I know there are no words that could even begin to adequately describe the tremendous loss of beautiful Vicki. I love the words written in her obituary that help paint a picture of the amazing person Vicki was, and will take with her in to the next "chapter" of her life! I especially love the part about her smile……boy oh boy does she have a "picture perfect" smile! I will never forget her smiling at me that night, just a few short hours before she passed. That smile lit up the entire room! Vicki, may you be at peace in the arms of those who have passed on before you, and rest in the care of our Savior. Steve and Lisa, I truly am a better person for knowing you two incredibly selfless souls, along with your wonderful children! It is my prayer that you feel your Mom/Grandma close by in Spirit, ALWAYS! I know without ANY hesitations, that she loves each one of you, and will do whatever it takes to ensure you know she is with you always! You sure do come from a long line of love!

Hi Wendy, I'm so saddened by the passing of your beautiful mom. I'm thankful that I got to know her when we both lived in Woodland Hills. I'm so grateful for the times we had together while living there. Diane Gibb told me you moved to Florida for health reasons. I hope you are doing better by living there. You will always be a dear friend of mine. May God bless you and your family always. Love You Always, Carolynn
