So sorry to hear about my new found cousin. I’m glad I was able to meet him and thankfully he did the Ancestry DNA test to be able to figure out my grandmother’s birth family!

Dear Janelle & Aiga(family), Please accept my deepest condolences during this incredibly difficult time. Dale was truly a sweet and gentle soul—someone whose kindness left a lasting impression on everyone he met. His quiet strength, warm heart, and the way he cared for others and the Langkilde family from Samoa(like myself) never went unnoticed. He carried himself with humility and grace, and the alofa(love) he showed to his family and friends was genuine and full. I pray that in time, your grief will be softened by the beautiful memories he gave you, the laughter he shared, and the sweet love that the gospel brings. Please know that I am holding you all in my heart and in my prayers. May God grant you comfort, peace, and the strength. With all my love and sympathy, Alofa’aga Tihani & Donovan Malmrose
