

Dale Brent Nelson

November 4, 1940 ~ December 17, 2022

I missed the funeral but will always remember Brent not only from our time in the OR but also Man Camp at Torro Weap where he taught us to play Mexican Train. During my nursing orientation he taught me important things like when to get donuts in the Dr.'s lounge and how to take care of kids in the OR. He was a great man and will be missed!
