

Dale Frewin Lund

April 14, 1934 ~ December 13, 2023

"Big Daddy Dale" was a great example to so many. If you were a friend of one of Dale's children, you were a friend of Dales. When I think of my many experiences with Dale, it brings a smile to my face. Dale raised terrific kids who were great friends to all and his love for Betty was striking. He will be missed.
