

Virginia Howard Solomon

January 23, 1936 ~ May 1, 2022

So sorry to hear about the passing of your mom. She was a wonderful and kind soul who’s influence spread far beyond her reach. We have treasured memories of her visits and loved watching her interact with the kids. She always had a smile on her face and a kind word to say. She will be greatly missed. We love your guys and our thoughts and prayers are with you. Love you! The Brousseau Family

The Christmas note I sent to Virginia was returned, so I knew she had moved somewhere. I was amazed to see her name and picture on the Tributes page of the Deseret News I just received with a death date of May 1st. I always felt Virginia was my best friend in high school. She was just a couple of months younger but a year behind me in school. I was always comfortable with her and kept in touch all these years. I send condolences to family and friends. May you be filled with comfort and peace. I look forward to seeing her some day in the future.
