I love Miss Vivian. She was loving toward me and my family. Her testimony buoyed my spirit when I needed it. I am sure she is already at work loving those around her

I enjoyed Vivian's friendship for many years and being around her and her sisters while working with them at the Hotel Utah. Later I loved taking her and Lafonda to places for Club. It was an amazing group of ladies that I will always hold dear. I enjoyed getting with them and we all looked forward to our Club Outings etc. Vivian will always have a place in my heart. I love you and will miss you. Sharon
