We lived across the street from the Gordon family. I remember Vivian always had a project going on. She made beautiful baby booties and other items. My brothers and I send are condolences to Carol and Mike. Your Mom was a wonderful lady. Mina Hart

Oh Grandma was meant to come into my life. She was always keeping me on my toes and my partner in crime in activities. We would always be together when we would be out on an adventure “well because I had to push her in her wheelchair” That made us become so close. I would love to listen to her stories about her past. She would tell you about the valley and what it use to look like on scenic drives. Going to the Puppy Barn was one of our favorite places to go. I would have to search her for a hidden puppy she would try to smuggle out lol ■ our other favorite was the Rowley’s Red Barn in Santaquin because they had ice cream ■ we would get a huge bowl and enjoy every bite ■ I know you are at peace and with the love of your life. You will be missed. I will always love you Grandma!! Thank you for bringing your wonderful daughter into my life ■ ❤■
