Holly, This is such a difficult experience. My memories of Dale always include you! Such an inseparable, loving couple. Thankfully there are wonderful memories - never enough to fill the void - but a beautiful reminder of an eternal future. I love you and your family. May you be sufficiently sustained and reminded of our Savior’s love of you and Dale.

Holly, I am very sorry for your loss. I worked with Dale at Valley Mental Health years ago. I was a psychiatrist there. There are a lot of fond memories of Dale. We still have the children books he gave us every Christmas. Take care, you and your family. Joseph

I was so sorry to hear of Dale’s death. I had the privilege of working closely with Dale for several years at Valley Mental Health. He was a man of great integrity, a terrific sense of humor, and I was fortunate to be able to call him my friend. Kris and I offer our prayers for your family. What a blessing to know the eternal picture and feel such hope to see him again.

Dear Holly: I just learned this morning of Dale's passing; I am so, so sorry for his departure from this mortal journey and pray that the balm of Gilead and the love of our Heavenly Father and our Savior, Jesus Christ, will envelop you and your family during this time of loss and sadness. Although Allisha and I cherished our time with the Newton family in the Hidden Valley 4th Ward, it wasn't really until the past 4 years that I began to truly understand who Dale Newton was as I had the privilege of serving him and the Utah Farm Bureau from 2018 thru the early part of 2021. Not only was he one of the most passionate LA Dodgers fans I have ever met (which was hard for me as a Giants

fan), and a red-through-and-through Utah Utes fan (again, I'm a BYU fan first), Dale was also a hard-working, conservative-issue-loving, intelligent, focused, and family-loving son of God. And I came to look forward to our lunches together at the nearby Olive Garden restaurant where he would invariably order a "side" of his beloved marinara sauce for dipping his bread sticks. Dang it! I'm gonna miss him. Nowhere near as much as you and your fam will, to be sure. But he was one of the good guys, and I will be forever grateful that he felt impressed back in 2018 to reach out to me and say, "We should talk." God bless you, Holly. And your entire family. And please know that if there is anything I can do for you and the fam, literally, I hope you will feel comfortable reaching out. With love and fondness, Dave Politis

Holly, so sorry to hear about Dale. The service that was broadcast was a wonderful testament to the life you and Dale created together and the loving family that God created with you. It was a privilege to listen to your children and grandchildren sharing stories and songs. Your faith and family will help you during this difficult time. Prayers and positive memories for all of you. In Friendship, Jill and Michael --from your years in Columbia.

Holly, Our thoughts and prayers are with you and your family. We are so very sad for you. May the Comforter attend you at this great time of sorrow and until that day when you and Dale are reunited. I will always be grateful for Dale’s friendship. It was a privilege to associate with him at work and with you and your family. He was always kind to me and valued my opinions and contributions in our professional settings. I will miss him, but I am looking forward to a happy reunion in the place where he has gone.
