We were so sad to hear our sweet Aunt Donna has passed. We loved her dearly. We enjoyed her great cooking. She would never let anyone do her dishes or clean up after a get together at her house. She was so fun to visit with and always had such a great sense of humor. We loved her cute laugh. She made us feel special. We will miss her. I’m sure her reunion with her family has been wonderful. Til we meet again. We love you. You’re family is in our prayers.

As a young teenager, I had the privilege of meeting Donna, and since that day, I have found her to be genuine, kind, caring, and the hostess of all hostesses. You always felt welcome in her home. During recent visits, she still had her beautiful smile on her face and a kind word. My heart hearts for her entire family. I pray that Donna's family finds peace and comfort during this tender time.

Dear Uncle Bill, Cindy, Lynda, Jill and families: We are so blessed to have known and be blessed from the life and service of Aunt Donna. She is truly an elect lady, a true saint, an amazing mother as evidenced by three remarkable daughters. We love you all so very much and are and will continue to pray for your comfort and peace and that you will feel your mother's spirit from the other side. We felt so bad we couldn't be to the service in person, as many of family had covid and we didn't want to pass it on and expose you. You honored your mom so perfectly from your talks at her service. We will truly miss her and look forward to another time soon when we can see everyone and give you a hug. With much love, Dennis, Marilyn and family

I knew Donna when she lived on Lake Street and we belonged to the 31st Ward. We went to Young Women's together and Jr High and High School. I'm afraid I lost track of her after we were married. This is a beautiful picture of her and I thought the obituary write-up was wonderful and I learned something new about her. She was 5th of 9 children and I was 4th of 10 in my family. She was a good friend and I wish I had kept in touch thru the years. I also knew her sister, Roberta. Our best wishes to your family. Janice Hennefer

I am not much on social media so I just now saw the obituary in Family Search. I loved Aunt Donna so much. She always made me feel special. I thought I would get out again to visit one last time but I see it is too late. Our prayers are with you Uncle Bill and my cousins. What peace comes from our knowledge of the Gospel Plan and that we can all be together again.
