Sorry to hear of Dale’s passing. He was always cheerful and pleasant to talk with. The world needs more people with that kind of spirit.

Dale was always fun to be around. He called our bingo games, played Wii bowling. He had many friends at the Taylorsville Senior Rec. Center. He always had a smile & a laugh. He loved his dog & he loved his wife Tricia with all his heart & he had a big heart. He will absolutely be missed at the senior center & by all the people who loved him so much.
