Desde Colombia los acompaño con mi corazón y sentido dolor a Karen su esposa, a sus hijos y a toda la familia. Elevo mis oraciones para que Dios los ayude con la fortaleza y el consuelo que necesitan en estos dificiles momentos.

I was sad to hear of the passing of Walt and it has brought back wonderful memories of over 50 years ago as we were just buying our first homes and raising our families in Sandy together. Walt and I served as counselors in the bishopric to Bishop Moffat and Karen taught piano to our little girl. I can testify after losing my wife just two years ago that great memories is the only way to get through losing an eternal companion. Thanks to Heavenly Father for the knowledge we have of eternal families and that being separated is just a short period of time and we will be together again. My prayers are with you Karen and the entire Bills family

- Barry Arnold

Karen, I was very sad to hear of the passing of your husband. It sounds like he lived a good life. What a blessing! I hope that you can find comfort by the sweet healing Spirit and by remembering happy times with him. Thanks for being a friend through school. I can still picture your sweet smiling face.

- Nancy Jennings Field

We found out late about Walt's passing, and send our condolences and love to Karen and the entire family. We have many great memories of sitting together at Hillcrest baseball and football games. It was fun to watch the games and cheer, but a real bonus was getting to know Walt and Karen and enjoying their friendship and companionship. Walt was a great example of caring, compassion and being a friend to everyone. His example and legacy will always live on.

With sadness we send our love and sympathy to you Karen and the Bills family at this tender time. With fond memories of our treasured time together as East High School '61 Classmates, Walt's friendship will continually be remembered.

We are so saddened by Bro. Bills passing; He was always a light and fun person to serve with in the temple. He will surely be missed and thought of with a smile on our faces and a warm feeling in our hearts. Karen, we send our love to you always. Lanning and Gail Porter
