Walt was an amazing Dad, and grandfather. He will never be forgotten!

Walter was in germany, when i was born in 1951. My mother Gretel Finnäs was his Cousin, never knew he was so close to each other and never met in their life. I did and spend some time with him, Randy and Eric, never forget. Rest in peace my dear Walter, you will be always in my mindestens and heart.

Sorry to hear about your dad Randy. But as we all know the day will come for all of us to return home. From reading about your dad sounds to me he was a great men of statue. I see a lot of you in him. Take care my friend
