The most kindest, beautiful soul. In the short time I stayed at your home, I saw her great love for you and your daughters. She was happy, fun and kind. So saddened and sorry. My heart breaks for you all. May you all be blessed with peace and comfort. Sending love and hugs.

Daniel and girls - We were so sorry to hear about Dalynn's passing. I always loved her. She's always been so gracious and kind to me and Tessha, and such a wonderful mom. She was a great example for all of us. I'm glad Tessha has been able to be there with you guys this week; it's meant a lot to her to be able to be near. I will for sure be at the services next week (I'll likely fly in the night before). If we can do anything more to help please let us know. You're in our prayers and in our hearts. I know it doesn't help right now to hear "she's in a better place" or "God must have missed her," etc. Statements like this may be true but they don't help you feel any better. Right

now you just miss her. We all do. People are just trying to be nice but, well ... just know that we loved her, we love you and your girls, and I know you'll get through this. You know the gospel is true and that the sealing power is real. We've all been blessed to have her in our lives. It was too short a time. Take care, you guys. Much love.

I love your Mama. So many memories of her and your family. I remember her taking me for a ride in her defender when she had finally gotten it! Her smile and her amazing laugh were contagious. She was such a courageous woman and so eloquent. I will always look to her example of motherhood in my life. Love you girls.
