I was sorry to hear about your Dad's passing but I know he is so, so happy to be with Geneil again. Your parents were two of the kindest and most giving people. I loved all the opportunities I had to visit with them. Such amazing people. Sending my love and hugs to all of you.

We will certainly miss Dr. Lloyd. He was a great dentist, but an even better friend and person. When Jordan had dental problems a couple of times on some Black Friday's Dr. Lloyd would open up his office and treat him. Dr. Mark has carried on his legacy of kindness and service. Connie remembers the home as being warm and inviting when visiting. We miss the Lloyd's and our sincere best wishes to the family at this time.

I want to offer my condolences to the Lloyd family for the passing of their Father. He was a gentle soul. Always happy and attentive. May he rest in peace with his wife and the Lord.

Doc's smile and chuckle was always a staple in my life growing up. What a sweet man. I'm sorry for your loss, but what joy he is having being back with his sweet wife.

Doc, you were one of the most stabalizing, and emotionally consistent human beings that I ever met. I am so grateful to you and Geniel for what you contributed to my soul. May your next journey be as good as the last! Love Rick (and Ann!)

I always knew Mr.Lloyd was a relative of my neighbor Bruce Lloyd, but was never formally introduced. However many many times as I rode my bike or walked past his home he was out doing yard work. Even up until last year. He had such a gentle sweetness about him and was always kind to his daughter. Sorry for your loss.
