

Dan Marlen Cloward

April 7, 1935 ~ June 26, 2025

We are saddened with Dan's passing. It was blessing to know Dan and be his friend. We love Dan and Carolyn. Our prayers and love go out to your family at this difficult time. God's comforting arms surround you.

To the greatest grandfather ever! Words will not describe the love and admiration I have for you so let me just say, I love you forever. Counting the days to be reunited once more. In the meantime I will eat enough Krispy Kreme's for the both of us!

- Alexandria Jaramillo

We are sending our love to a wonderful family at this difficult time. We cherish all the wonderful memories we have shared for many many years. May you feel peace and be given strength to carry on without Dan. God bless this family and thanks for letting us love each one of you. ■■■■■■■■■■♥■■■
