With eternal, loving memories of our times together as servants in the Utah Provo Mission, President Hancock's Christ like attitude will forever be engraved in my heart. Many thanks to the Hancock family for sharing him with us missionaries. Wishing you love and comfort during this temporary separation. Until we meet again President <3

My condolences to your family and to the greatest mission mom. President Hancock is one of my spiritual hero's. My time as a Missionary in Provo under President Hancock was such a sacred experience. I have so many fond memories working in the mission home and observing President Hancock lead our mission. I will be eternally grateful for his love and kindness, and most importantly his example of what it means to serve the Lord. He was an incredible man who I will always consider lucky knowing. May our Father in Heaven's love and blessings be with you during this time.
