I was broken hearted when I read this. Your mom faught a long hard battle and I know she is in a better place. I wish I could be there for you Britney She was a beautiful lady, just like you. You and your family will be in my thoughts and prayers. I love you sweet lady!

Legrand and family, First, thank you for allowing me to spend time with your beloved wife and my friend in July. I have so many memories of the three of us girls living together just after high school. You have a lifetime of memories together. In the quite time when the pain is hard to bare, may the Lord be your shelter, and fond memories your comfort. Karen and family

Dear LeGrand, Michelle, Michael & Family, I am saddened by hearing that Wendy has left you. She is such a sweetheart. She was always kind with Lori and I, even though we were just her little sister and her friend. I live in Minnesota now, but I was in Utah on the day Wendy passed. I wanted to contact family members again, but didn't know how to find you. 'Potato' & 'Mushroom', I would be very happy to connect with you, dusklizard@gmail.com. Best wishes, my friends. Grieving and healing are hard work. You are in my prayers. Sincerely, Lenna Karren
