To all Dannie's family, he will be missed so much. My cuz had such a kind ❤. I will always remember him playing his quitar at Pebbkebrook. He made so many people happy with his music. I love you Dannie!

I am very saddened by the news from Aubrey of Danny’s passing. I have many fond memories of sitting in the golf cart with Danny and his ever present guitar and harmonica. My prayers go out to the whole Schneider family. He is gone but will not be forgotten. I am in Shawnee, Oklahoma with my sister Kathy and Robert Rigby awaiting results of Covid testing. I regret not being able to attend Danny’s service, my thoughts are with all of you.

Danny and I were good friends in high school. We both loved music, all kinds of music. I have a special place in my heart for him. I hadn't seen him for 20+ years when he called me out of the blue. We talked for a long time. He told me about his little girl and some things that were happening in his life. I miss seeing his smile.
