So sorry to hear about uncle Bill. I was expecting this to happen soon. He will be missed. Live you all and prayers for you to push on and continue with life.

Hi, to the five children of Leah & Bill, I watched Bill's funeral, and it was very nice. So much love in your family. Bill and Leah did a good job of raising all of you. I enjoyed all your talks, and "Daddy's Little Girl" was special. Thanks for letting me know about Bill. Best wishes and love, Kathleen
