Susan and I have many fond memories of Dan and Leona when they resided in the Midvalley Sixth Ward. We appreciated Dan's delightful sense of humor and his obvious devotion to Leona and his family. We express our heartfelt sympathy to Leona and the family and pray the Lords blessings as they cope with their loss.

Sweet Leona - Dave and I are so very sad at Dan's passing. He was always such a friendly, cheerful guy with a wonderful smile. He had many admirable traits and showed his love for you and Ali constantly. He was always willing to offer a helping hand to others and supported you in your RS President calling helping people in the apartments and in our ward. Our hearts go out to you and your family. Deepest condolences in your loss. Sending lots of love to you.

I am so sorry to hear this. I am Danny’’s cousin and I haven’t seen him or his siblings since mom and I visited her brother and family in New Mexico in about 1961. So sorry we all lost touch, but I wanted to send my sincere sympathy to his family.

My dear Leona, It was clearly a fluke that I came across Danny’s obituary. Craig and I were so stunned: that such a strong, healthy, strong-willed, strong-minded, quick witted man with such a magnetic smile could no longer be in our midst. We’re so sorry for your loss, as well as for Ali, your grandchildren, and your families. For so many years we enjoyed being a part of your lives. If there could be anything we can do, please let us know. May God’s ever-lasting peace and grace be with you all. Diane and Craig Jorgensen
