

William (Bill) Lewis Petitta

May 6, 1960 ~ August 8, 2023

Sweet Holley and family We have always loved your sweet family. Our hearts hurt so much for each one of you. We know your husband and father was very loved and will be missed every day. He will never leave you. We can’t imagine the heartache you feel. He was a good and kind person. I still remember him giving Randee an Utah football jersey because they had a bet he made her laugh so much. He drove right over after the game and gave her the shirt and sang the school song. She was so excited. He knew how to make youth smile. and have fun. We are thankful we were in your ward and we knew Bill and your sweet family. We love you, we are so very sorry.

- Rob and Nancy Casias

Holley and family, we are saddened to hear of Bill's passing. He was an amazing person, seminary teacher, and friend. We have fond memories of Sarah sharing stories from him in seminary. We will always remember you both coming to her concert performance in school because you wanted to show her love and support. May God bless you all during this time.
