May God bless you with comfort and strength to get through the next and most difficult years of separation from Dan. He has left a little piece of his humor, kindness and faith with each of you - let it shine for him. My most sincere love and condolences, Maddie

Very saddened to hear about my very good and close friend Dominique's and Brandon's loss. I met Dominique's dad Mr Richmond during Amari's church blessing. He was kind, joyous, beaming, and obviously a magnificent dad. My thoughts and prayers are with Dominique, Brandon, Amari, and Mr Richmond's extended clan.

Richmond Family, I was so saddened to hear of Dan's passing. I grew up in his home ward, and spent a lot of time around them. Dan was always a loyal friend, and though I moved away in 1983, I have thought about him often, and really grown to appreciate the man I heard from afar, he had become. May you feel the comfort of an eternal plan, that I learned together with Dan when we were youth. God Bless your family.

I will be forever grateful for the chance I had to know and love Dan Richmond. For decades, he has treated me like one of his own. What a blessing it has been to have him cheer me on throughout my life. As a child, I remember hearing his stories of his childhood mischief and maybe an explosive or two.. :) I was lucky enough to hear one last story just a few months ago, no explosives this time.. But, a life saved by Dan while in the mountains. He is a tough guy with a heart of gold. A friend to all, he made everyone feel special and cared about others freely. He testified of God both by word and deed. Unashamed of what he believed, he was a man of great integrity. I know the fatherly pride he feels for his children continues as he takes on another role as their Angel. He will be one of the best, no doubt. We will all miss you, Dan. Until we meet again, Sarah

My most sincere condolences. Dan loved cycling so much that's all we talked about through the years. One of the toughest guys I've ever known. He always had me laughing every time we talked. I'm very grateful to have known Dan, he will be deeply missed. Tony Workman

I have fond memories of being in the Richmond home, eating fudge and drinking goat’s milk. I went camping and fishing with David and Danny and had fun in scouts. It is so hard to see these good men leave us. But I am thankful for the memories I get to keep.

- Lyle Cooper

I grew up in the same ward (Grant 8th Ward) as Danny. He was a lot of fun, (most of the time) and he liked to do a lot of shenanigans and wrestle a lot with his brothers. I will remember him trying to do the right thing and be a good kid. It seems like he is still too young to die. I am the same age as he is, and it doesn't seem right that he has passed away! He will be missed!

Dan was a great man, I knew him almost half my life. He was definitely a jokester, and he did love to pump iron. I remember the first time I went over to the Richmond house, and I was lifting weights with Jake in the garage, and he came out to lift with us. He was also a great grandfather, I will miss him a lot.

- Justin Gonzales

Dan was a genuinely good man. I had the honor of living near to him in West Jordan and felt his kindness as he offered words of support and friendship to me and others around him. In times of need, Dan was someone you could count on. I think I will always remember the time a neighborhood kid took his truck for a joy ride and how he responded to it with kindness and patience. He told me there was no point in getting angry at the young man. He was a kid getting a thrill and ultimately no harm was done. Support was more important than bitterness. To Laura and the kids, my thoughts are with you. May you always feel his goodness and love in your heart while missing his closeness. He will never be far.

We lost another Richmond family member last week . I have been friends with the Richmond’s since I was a kid growing up, and I love them all dearly. Dan and David were my best friends and if I ever needed help getting out of trouble those two were the best at using their Priesthood and administering the Laying on of hands. But aside from that man of steel was a kind and loving soul who would do anything for you. I’ve had many long conversations with Dan about the church and life in general. You could always trust him and he always had your back. Although Dan and David had their differences and butt heads a few times they were inseparable in life and Dan proved his love for his brother by giving a very emotional talk and eulogy at his funeral. It was very touching. Rest In Peace Dan the Man and give David a big hug for me. Love ya Bro Randy Whipple

- Randy Whipple

To the dear Richmond family, I first met the Richmond's in 1971 when my new bride Joan and I moved into the Grant 8th Ward on 1100 E and 3400 South. I was very soon called to be the Teachers Quorum advisor where both David and Danny were a part. Danny was a happy and loving person and an important part of my life. I sometimes fished on the small stream that came out of the hatchery and emptied into Millcreek. Once I talked to Dan about the fish I had caught. He got an amusing smile on his face, then laughed, then confessed that fishing had been very good since he and Monte had pulled a headgate and let a few thousand fish downstream! He also got scared off from fishing in the hatchery by brother Ben Andrew that lived adjacent to the hatchery. Ben spoke as if one of the fish and game officers was there and they had the boys surrounded from behind his garage. Apparently the boys "ran for their lives". Years ago I had Dan and David install some carpeting at our home. It was good to see them and to talk again. That was the same ward that Laura Burnside lived in. The Burnside family were strong and stalwart. Bishop Brad Burnside served very faithfully and was only released about three months ago. So to Laura, the children, and LaRue, the matriarch, along with the rest of Dan's brothers and sisters, all of whom we know, I wish the Lord's choicest blessings upon each of you. Dan lives on in the lives of each of you family members, in me, and in generations yet unborn. Well done brother Dan, a life very well lived. My utmost love and respect. Ted W Nelson

My sincere sympathies to the family. On the surface Dan was a tough guy but under that exterior he was a soft soul with a great sense of humor. Happy trails Dan……..

- Pegg Pyjar

Words cannot express how much I loved Dan. He was my soundboard and friend. I will miss seeing his updates bike ride every night. He was such a good example to follow. We will all miss your smiling face.

We were deeply saddened to hear of the passing of our dearest friend David’s brother Danny. Through our close, like a brother, relationship with David, we were blessed to know Danny for nearly 55 years. It is with our deepest sympathies that we extend condolences to Danny’s wife Laura, their children, his Mother LaRue and his brothers and sisters. LaRue, we’re sure that you are full of joy with the knowledge and assurance that you and Ray raised such a wonderful family, one that truly touched our lives for the better. Due to the current conditions in the recent rise of the Covid-19 virus and Michael’s compromised health, it is with deep regret that we are unable to attend the services. We extend our love to all of you and our thoughts and prayers are with you as well. We know that Danny will be near and watching over you and you will feel him often. May the Lord’s comforting spirit and choicest blessings be upon all of you in this present hour and the coming days that lie ahead. The Michael and Jackie Van Leeuwen Family

I'm really shocked to hear about Danny's passing. I have good memories of him He roughed me up a little, but showed a good side too. Your family has definitely had more loss then anyone should go through. Our thoughts
