Mr. Ellis was my fifth grade teacher at William Penn Elementary. He was the BEST, all-time-favorite teacher. He was smart, patient, understanding and fun. Bless you, Mr. Ellis. You will always have a special spot in my heart!

So sorry to hear about Dan, and sorry that I can't be in town for the funeral. I have only the best memories of Dan's wit and sense of humor, his imaginative and elaborate Christmas puzzles/gifts, the trips to California and the times at the beach cabins in Capistrano and Pacific Grove. (I was in Pacific Grove in 2019 and I hunted down the old house -- it's still there and still looks the same.) My heart goes out to the Ellises. Thanks so much for reaching out to me.
