

Daniel Vaiokema ("Muli") Kinikini, Sr.

September 5, 1940 ~ December 24, 2021

Dear Mayone and family, I am so sorry about the passing of your dear Dan. You will miss him so much. He lived a wonderful life and has truly been an example to his family and all he came in contact with. Mayone, you have been a dear friend for many many years and my heart goes out to you for losing your best friend. As a widow of nine years now, if I can be of any help or if you just need to talk just call me. My heart is with you and your family at this tender time. Love, Connie Fontaine

So sorry to hear about the passing of Daniel. I've loved Mayone since she moved to North Ogden as a child. We've been the best of friends throughout the years. Only time and distance got in the way. We are happy for Dan but sad for those who remain here. We pray for the Lord's blessings to be with you all. Dave and Barbara Parkinson

Hi Mayone, Chris told me about your time with Dan at the end of his life. I'm glad that you were able to take care of him until the end. I'm hoping we North Ogden girls will be able to get together before you leave. My condolences, and I'm glad you had such a loving husband. Judy Olson 801-913-0837
