

Yvonne Monson Parry

September 14, 1928 ~ December 11, 2023

To Yvonne’s children: I loved your mom, shared a birthday with her, and had wonderful traveling experiences for several years. She is the one that got me started traveling. Yvonne was a lovely woman, friendly, courteous, and very social. If you were in a room with her, you would soon be acquainted with her because she always had something in common. In lieu of flowers, I will be making a contribution to Huntsman cancer in Yvonne‘s name. I am so happy to celebrate her life and grateful she went peacefully. We all know where she is and that she’s having a marvelous time reuniting with everyone. My love and condolences to you. Karen Hammon mom

My memory of Yvonne is of a sweet very smart and gorgeous woman. She was so graceful and a true delight. She would laugh at my lame attempts at humor and always played along with uncle Lloyd and I sharing a first name. She could put a party together in a hot minute and I am sure she is doing so right now. She will be there tomorrow so please be happy and celebrate a truly remarkable righteous life. We are sad to be unable to share this time with family but we are serving mission in California. All our love Lloyd and Virginia Parry

I have had the privilege and blessing of ministering to Yvonne for the past year. She is a delight! (And I use the present tense because her spirit is still alive and she IS everything she was and much more!) She was always pleasant, positive and interested in me. I learned that she is a woman of many talents, accomplishments, deep faith, service and selflessness. She talked of her family each time we visited and how she loved them dearly. It was a sweet and tender time when I could be with her often in her last week of life. (reminding me of my 96 yr old mother's passing 3 yrs ago) When I asked Yvonne what she wanted most for Christmas, she said, "To be with my family." So, I have no doubt that she will be with her family during Christmas, on earth and in the spirit world, and will continue to be watching over and rejoicing in her loved ones. Yvonne has blessed the lives of countless many people and I am blessed to be one of them. I will miss Yvonne deeply, but I feel a sense of peace and happiness for her as she doesn't have to deal with the challenges and limitations of mortality, aging and illness. She is rejoicing in her reunion with dear loved ones who have gone before her and in her Savior and His Plan of Salvation and Exaltation. Well done thou good and faithful servant. All is well with Yvonne. Til we meet again!

Dear Yvonne's family, I knew Yvonne from the Apple Store where she frequently came for classes and instruction. She was just a delightful woman and I always enjoyed seeing her and helping her with her technology. I was fortunate to be invited to her 90th birthday party and she was just radiant with her loving family surrounding her to celebrate. She was a classy and beautiful lady and as her birthday approaches this week I was curious about her and came across her obituary. I send my condolences to your family, she was a gem and is surely smiling down on you all.
