I always call you on your Birthday ■ Of course I called. I got a disconnected line. I just found this out today! On your special day. Daff you are like a mom to me. A grandma to my kids. I will miss you. I'm Glad we spoke last month eve.n if you could not remember lots. I'll remember all the good times we had. You were a big part of my life. I love you. I'm Glad your not in pain and are free. I'll miss you soooo much. Thank you for showing me and my family so much love. ❤■ I'll remember your great jokes your wonderful advise. I love you Lori Sanchez
