We loved having Darleen & Jerry for neighbors for many years. Always a delight to visit with. Such a happy and funny and uplifting friend. Love to ALL of her children.

We had Darleen and Jerry and their children as our neighbors in Taylorsville for many years. We have memories of Darleen strolling her grandchildren past our house on many occasions. She would stop and visit with whomever was in the front yard. Her smile and friendliness was something we will always remember. She was such a beautiful, gracious example of what the Savior and our Heavenly Father would like all of us to be. We love her daughter, Jana, and Jana's husband Kenny and their family very much. They are dear friends of ours. We pray for comfort and peace in the hearts of Darleen's family members. May God bless you all. Dan and Rosemary Armstrong
