

Darrel Kent Wright

April 9, 1931 ~ March 15, 2021

I'm very sorry for your loss. Kent was a great man. He loved his grandchildren. He took my son under his wing; that kindness will not be forgotten.

I'm sorry for your loss. Uncle Kent was always quick with a smile. I will miss the annual Christmas cards that your mom and dad did for so many years. I'm looking forward to the day that we can get together to celebrate both Jinny and Kents life. Let me know how I can help.

Really sorry to learn of Kent's passing. He was such a great inspiration and leader for his family. Even though I only knew him for a short time, he had a large impact on my life. He was a strong example of what a father should be and I will hold on to the many stories he shared with me. Until we meet again-
