I have known Darrell for a lot of years! His sister, Tana and I have been friends since Junior High and high school days! So of our fun times was snicking in on the younger kids and scaring them when they were watching tv. Darrell is a true survivor! The good Lord decided he had survived long enough and brought him Home! Bless the Tate family while they grieve during this time. love all of you!

I send my deep condolences. I last spoke to Darrell in October while we reminisced about Vee Houston. I would love it if one of you would let me know when the memorial service will be - I'm not on Facebook (sorry). ssnow@dsdmail.net Thanks

Darrell will always be close in my heart! I met and worked with him at ZCMI for many many years and was there when he met his Jen and a little girl named Jessica! They made a good family and were there for me during some of my darkest days! I will never forget Darrell and his dedication to his job and our friendship! Jess you know that I truly loved your dad and am looking forward to the summer tribute to him! I there is anything that I can do to help, I am here for you and your family! I’m so sorry to hear of Darrell’s passing. I have known Darrell practically my whole life. We grew up in an unusual neighborhood, we were all friends and family. That’s not a common thing. I have many fond memories and will treasure having known him and having him as a friend, neighbor, and part of my childhood life. God be with you on the next part of your journey, and be with your family until you can be together again.

Darrell, you are a good man. I always remember as classy and as a kind and beautiful soul. As I remember a few past conversations, I look forward to more one day. Much love brother.
