I am so sorry for your loss. Uncle Darrell was a wonderful influence on me growing up. He was super courageous and positive to be around. Our families had so many excellent adventures growing up. He will be missed.

Darrell was a great uncle to me. I learned so much from him about the Insurance business and how to be successful. I appreciate all he did for me. He will be missed.

So sorry for your loss! Uncle Darrell was always so kind to me. I will never forget him bringing Grandpa Davis to Goshen Elementary in one of his Ferraris. He always had time to take me for a ride. I have fond memories of the family pool parties, his laugh was contagious. I loved it when he told stories of growing up in Genola. He was a character, for sure. He will be missed!

I loved the pictures of Uncle Darrell and his family. He was smart and so nice to all of his family! Al and I both have such fond memories of him and Pat and my cousins. We have been thinking of you during this tender time.

Dear Family, I was deeply saddened to hear of Uncle Darrell's passing. He was an uncle who truly took an interest in me, and I will always be grateful for the kindness, warmth, and genuine care he showed. Some of my fondest memories are of the wonderful family gatherings he and Aunt Pat hosted. He had a way of bringing people together and making everyone feel welcome and valued. His interest in me had a lasting impact. Please know that I am thinking of you all of you and holding you close in my heart during this difficult time. I hope you find comfort in the many memories and in the love he shared so freely with all of us. With love and sympathy, Dwight
