Dear Kaye and Family, We are so grateful to have known Darrell during his "Bish" years in West Jordan. He was always so kind, a great leader and example, and he and Kaye shared their warmth with everyone. He was a wonderful Bishop, neighbor, and friend. I will always remember when he and Kaye sneaked up some Diet Coke to some of us when we were camp leaders. With Love, Gene and Kim Player

I have fond memories of Darrell as he served in the Green Springs Ward bishopric. He was a kind man with a listening ear. He always made you feel like he really cared. My Sympathy goes out to Kaye and the family. We missed Darrell and Kaye when they moved back up North. Now we will pemently miss Darrell.

So sorry to see that Darrell has passed. So enjoyed the fun times at the Salt Lake Service Center with him, the old Utah Power Days. We at Wasatch Restoration Center send out prayers to Paul and all of you at this time of sorrow. Great memories.

I didn't know Bro. Tripp very well but he was assigned as my Home Teacher when I first moved into his West Jordan Ward. He came faithfully every month . I had only been there a short time when I was able to remove some lawn from a church in my former Stake that was being torn down. It was a tricky Labor Day removing the grass in the morning, hauling it to my new home in the afternoon. Brother Tripp organized the Elders Quorum and helped me to get it all laid the same day. What a huge help. I will never forget how helpful he was to me. ♥■
