We were so sorry to hear of the passing of our dear friend and classmate, Darrell! He was a wonderful man and we were blessed to be recipients of his friendship and kindnesses. We send our love to Ruth and family as well as our appreciation for all the years we have known the family! Blessings to all!

Darrell is such a kind and caring man. It was a blessing to call him a friend. I was one the recipients of his many kind deeds, from sharing fruit to having him help prune our fruit trees. We were blessed to serve together in Church service. I even memorized a cowboy poem many years ago because of his talents and encouragement. We will soon welcome one of his many grandsons to our Puerto Rico mission where we are serving in the mission office. We send our love to Ruth and all of the Clegg family. Elder y Hermana Dahl

Darrell was a dear friend and Skyline associate for 30 years. He was kind, thoughtful, smiling, humble, always warm and friendly to all and most helpful. In the library, with access to recording equipment and resources, he taped music for my theatrical productions as well as sound cues. Always a positive disposition and a kind, thoughtful attitude, Darrell exemplified the true spirit of a good Christian. I will always cherish the friendship of Darrell and the goodness he personified. Condolences to Ruth and family and may his memory always be revered.

My condolences to your family. He was my German teacher in High School. I have many happy memories of him teaching us. I ended up with a career at a German company. I have missed his gentle spirit through the years. May the Lord bring you peace at this time of grief

Ruth & Clegg family: We wish you our sincere condolences. Darrell and I grew up in Heber Valley in the little community of Daniel, Utah. We were poured out of the same mold. We were "do it yourselfers" and enjoyed construction (building our family cabins) in the Uintah mountains east of Heber, Utah in Lake Creek Canyon.(Timber Lakes) We built them about the same years. We enjoyed snowmobiling , fishing and hunting together. He was a great friend and we will really miss him. God Speed Darrell. We love you!

Darrell was a wonderful friend and neighbor. He worked harder than anyone I know and loved every minute of it. I will miss all the conversations in the yard, by the mailbox or when he brought me a bag full of apples. Ruth, his kids and grandkids are all in my prayers. Say Hi to Larry for me Darrell.

Darrell is a great man and dear friend. I love him and his dear family, at least his sweet wife, Ruth and their six children that I remember. Beyond that I know he has a large posterity that I do not know but can tell them that they are very blest to have been born in that great family. Darrell is a very loving and sharing person with an admirable work ethic. I join you in looking forward to being with him again. Love, Irv and Pat Gardner
