Sadness and loss have filled our hearts. Many prayers and loving thoughts go out to Aunt Sue and all the cousins at this time. Your were such an inspiration to me and I will miss our conversations and your voice but I know you've been greeted by family members that have missed you and you are at peace. I love and miss you Uncle Darrell!!❤❤❤

I'm a little late with this, but just saw Darrell's obituary online. Darrell was a fantastic friend who I had some experiences with during my teenage years when John and I were good friends working at the Country Club. First, I remember on Thanksgiving morning we were playing pick up basketball at the church and Darrell inadvertently broke my dad's nose. I remember him feeling so bad about it, but my dad took it in stride. The second experience

was while golfing with Darrell at Fore Lakes golf course. John was busy so Darrell and I went and joined another twosome. After the first hole, I was waiting for Darrell and the other two golfers with us to hit their tee shots when I noticed a golf ball one of the lakes. Thinking I could just reach in and get it, I stepped on the clay side and slipped to the bottom of the lake, golf bag and all. I ended up playing the rest of the nine soaking wet which Darrell was quite amused by. Darrell was a good guy. I'm sorry John and family for your loss.
