

Darrell LuRoy Deem

June 3, 1932 ~ February 26, 2022

I remember after the most recent primary program, Brother Deem found me and was so kind in his compliments of how well he enjoyed it and how he loved hearing the kids sing. There was a lot of hubbub in the chapel and he took the time to come through the crowds and find me to tell me that. His kind words and that thoughtful gesture meant so much to me. I'll always remember it. He's inspired me to take the time to say kind words to others. You may never know how much they'll be appreciated.

Dear Deem Family, Nancy and I would like to send our condolences. When we returned from our mission in 2004 and became part of the Ensign First Ward both Derrell and Jean reached out to us and made us feel welcome. We have subsequently had many enjoyable interactions such as being part of a look who is coming to dinner at the Deem hom. Joe also had the opportunity of assisting Derrill give a blessing and was impressed with the way he proceeded with the blessing and his deep spirituality. We do respect and love the Deen family and pray for all of you at this difficult time. Joe and Nancy Cook
